

The party

By Abigail

" Mom can I have a birthday party
". Samantha asked her mom.
Samantha stood there in her
bright pink room getting a good
idea in her mind.

Samantha ran out her
room. Have you ever
wanted a birthday
party? Samantha been
wanting one since she
was 5.

and Samantha wanted a horse themed but her mom yelled "NO" not until your 12 years old". A Samantha wanted a birthday party so bad she felt very sad.

"Mom why can't I.
"Every body else in my class except me HUH"
Samantha said

" Who am I a
kindergartner a 1
grader a baby "
grumped Samantha. "I
don't know but I should
be able to have a
birthday party I'm in
third grad" Samantha
mound. " I'm 9 years
old and I think I should
I don't get IT YEELED
and SCREAMED
Samantha!!! She
marched in her play
room and knocked
over all her toys then
sneaked back to her
room and made it a
DISASTER!!!!

Then the best idea
went in her head
then she got louder
and louder by saying
the simple words
I got a good idea I got
a good idea !!

Then she asked her mom if she could see if Mia could play! So she knocked on the door and said very quickly "can you play on March 15 for a birthday party" " let me go ask my mom".

" No go ask your dad" " ok" Mia said . "The only way you can ask your mom is if you say these very simple words ready" " yes " " okay can I see if Samantha can play" " Wait " " what" " go slower" " ok can I see if Samantha can play" " wait" " what" " go slower" " ok can i see if Samantha can play" " February 5" " NO March 15 " " oh so what do you won't me to say " " WOW I can't just one simple little thing for you to ask your mom" " I don't know" " ok I am going to say it one more time " " ok" " can I see if Samantha can play on March 15 then she will answer ok" "ok then Samantha went home out of breath.

Then Samantha got home and said " she couldn't play " " why not " asked mom " oh I mean she was not home " "ok" replied Mom.

Then Samantha realized something Mia is a forgetter she always forgets things I better go ask but I already said she wasn't home.

I got a great idea ! I could say I'm going to Amanda's I will go ask mom " mom can I go over to Amanda's house for a little bite " "yes" " ok" so she actually knocked on Mia's house door again and said " do you remember what I said" " no" " ok I am going to say it again but you are going to wright it down so go get a pad of paper. Samantha asked " do you have a pen or a pencil " " ow I forgot one I will quickly go get one " " o k" ground Samantha in a very tired voice.

Then Mia came over with a pen and said " Do You Have FULL EYERS"?" Yes" " ok can I see if Samantha " " how do you spell Samantha " " s a m a n t h a" " ok thanks " " your welcome Can I Keep Going or do I have to start over" " please start over" " HUH ok then can I see if Samantha ha can play on March 15 " " I got it" said Mia In a happy voice " let me see" " ok" so Samantha looked and she did just what I said " don't forget to ask" I won't " ok good"!!

So Samantha went and as soon as she opened the door her mom said " could she play " " well she wasn't home " " then what took you so long "? " Well I was um um Playing in the grass for a minute so I kinda had fun (but that wasn't TRUE) Samantha usually gets in trouble when she lies but NOT TO DAY !!

Samantha said this in her mind I'm free I dint get in trouble I dint get in " trouble" but just that minute Samantha made a mistake she accidentally said the word TRUBLE out loud ow no thought Samantha what am I going to do but Luckily her mom did not hear what she said she just said " what " " nothing" hew thought Samantha I'm safe thought Samantha I'm safe!!

Then Samantha went up to her room kept it a DISASTER then sat on her bright pink bed she thanked about what she done she was thinking in her head did I make a good choice yes or not yay what could happen !!

Then it was the next week March 15 she got the home phone Rain down stairs and went in her messy play room and looked the door and dialed the number (616)668-1939 then she waited then Mia's mom answered Samantha said " hi is Mia there a minute " " yes she is let me go get her " then Mia got the phone Samantha said " go in your room and lock the door " " ok " so she went in her hot orange room and locked the door then said " yes " " ok well I was wondering if you were still plaining on coming over yet" " ow yay I'm super exited what time do you won't me to come over at " " let me think um um how about 1:35" " ok see you there " " yup biy " " biy"

Then Samantha started jumping up and down up and down then she got her room set up for a dance PARTY!!!!

Then she was ready and super excited she was so excited like her eyes were going to blow that's how excited she was. Then it was 1:30 o my it's almost time nothing is going to go rogue I'm so sure !

Then the door rang bling bling ding dong went the door. Samantha went and got the door "hi " said Mia " WERES THE PARTY THINGS yelled Mia Samantha tried saying no you came to play but it her mom came over and said " what's going on " " well um " then dad marched over and said " you envied Mia over" well I. Should tell the truth thought Samantha " ok well I went over to Mia's house and said come over on March 15 and she said ok then I forgot Mia is a forgetter so I said to mom I'm going to Amanda's when I rally went to Mia's and said that again and made her wright it down then came home and said to you mom she wasn't home

Then today I called her and said still planning on today she said yes then she asked what time to came over at i said 1:35 and came over I'm Riley sorry I just wanted a birthday party so I invited Mia " . "Well Samantha you are in big Trouble but you could've had Mia over anyway and we could've set up games". Mom dad next time I will not lie and I will be good I promise " " thanks huny " " your welcome mom"!

And Samantha never had a friend over again without asking Samantha was so sorry she started to cry . "Momma be next year may I have a birthday party " wiping away her tears . Samantha learned a very important lesson today to never lie and okay your parents .
