

## The Smelly Dog

By:Addi

Woof,woof!  
Gracie  
wanted to go  
out side, so  
Abby let her  
out.

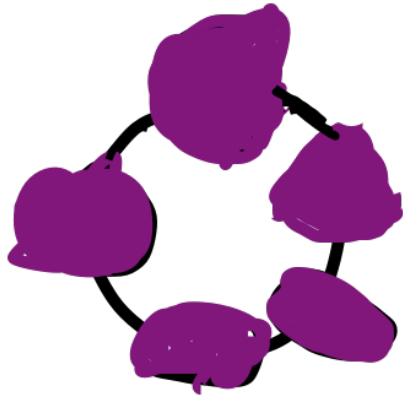

Then Abby got her coat on as fast  
as she could. After that she raced  
to find where Gracie was because  
she wanted to find her because  
after she finds her she gets to go  
to chow retriever.

Jingle, jingle. Abby's bracelet always made a sound when she moved her arm. Come on Mom." Said Abby. "I want to go to chow retriever."she said.

"Abby go get in the car,please!" Said Abby's Mom from in the house "okay."Abby replied

This is so exciting Abby thought. Then Abby just remembered why she wanted to go to chow retriever, because she wanted to get Rex a leash, get a dog bed, give Gracie a bath, she also wanted to go because she hadn't been there for a long time, she also wanted to go because she wanted to see the bunnies, gerbils, the guinea pigs, the birds and ferrets.

Then Abby got in the car and then she closed the door and suddenly for some odd reason she opened the door and then ... " Mom Gracie got sprayed by a S-K-U-N-K skunk!"

Screamed Abby in fear.

Abby was so disappointed. Now I can't go to chow retriever she thought. "Now she's going to stink for ever." Abby said to her self.

Then Abby went back in side where Mom and Dad were. Rex was barking because he wanted to get out of his cage. Then Abby's Mom said "what happened?"

"I don't know when it happened , but G-Gracie g-got s-sprayed by a S-Skunk please don't be mad Mom butt it's n- o- t not my fault," Abby replied.

"We under stand sweetie, but ... where's the dog?" Abby 's Mom and Dad said puzzled. " so where's the dog?" Abby's Mom and Dad said. "Well I left her out side." Abby said. Afraid because she didn't want to get in trouble.

"Abby why did you leave the dog dog out side?"  
Said Abby's parents "I left her out side because I  
didn't want her to stink up the whole house."  
Said Abby. " smart." Said her Mom. "So how  
about we go get the dog" said Abby's Mom.  
"Okey dokey." Said Abby.

So Abby's Mom and Abby went to go  
get the dog, and then they brought the  
dog in side. While Abby's Mom toke  
got the water ready, Abby toke Gracie's  
collar of.

Then the bath was ready. They put Gracie in the bathtub. Abby's hands were really soapy. For a long time Abby and her Mom scrubbed.

Then Abby's Mom left then a DISASTER Came... "Mom it's not working ." Abby screamed . Then Abby's Mom came down the hall in to the bathroom

"What happened sweetie?" Abby's Mom asked. "Well it's not working, that is what is going on and it's making me really frustrated, I'm just getting sick if it Mom can you help me?" Abby asked. "yes I would love to." Her Mom said

"Okey dokey!" said Abby. So they scrubbed and scrubbed for a long time. Bot it didn't work so Abby's Mom went to get some thing.

"I will be right back !"said Abby's Mom. Then she came back and she had some tomato juice in her hand and then she said"Abby I'm back with the tomato juice !" Then she put the tomato juice on the dog and then she kept cleaning and scrubbing, and it eventually worked.

Then Abby said. " Yay it's working she smells really good, Mom thanks for helping !"

So now Abby learned a lesson always watch the dog when you let her out. Then..." Abby will you please let the dog out?" Abby's Mom said. Oh no not again Abby thought.
