

Link's lemonade stand

Have you ever wanted something but you
couldn't get it?
So you worked hard for it?
That's what happened to link.
Whoosh!
The cars whizzed by while link made the
Lemonade.
Cars were flying by,
Birds were singing and the Lemonade was fresh
and sparkling under the shining,
hot sun.
People were running,waving cash in their hands,
to get Link's Lemonade while Link was trying to
prepare the Lemonade Quickly!

"Mom,Dad!"
Screamed Link
"I got the money!"
Link started waving the money in his hands
"Really!?"
His Mom and Dad called
"Really!"
Link cried!
His Mom and Dad ran toward Link and gave him
the BIGGEST HUG EVER!!!!

2 Weeks Later...

2 Years
Later...

Link felt great after he got to play Basket Ball
and his Mom and Dad could afford a House and
2 Jeeps

"Ma,
Can I set up another Lemonade Stand,
Please?!"

Asked Link

"Yes,
Yes you can!"

Answered his Mom.

Link now knows that when he wants something
he has to work for it.
