

Bella Danced In The
Spotlight

By: Jessica Frielink

March 2015

"Whoa!" Bella screamed, as she slid down the stairs. Bella pouted, "I hate being clumsy." After Bella got to the big school, she walked slowly into her new dance class. She hoped that her dance teacher would NOT ask her to dance, but she did. Soon after she tried to dance, she tripped and fell. As Mrs. Fox, the dance teacher, asked Bella, "Are you ok?" Bella looked up and Mrs. Fox looked into Bella's deep blue eyes and then Bella started to cry because everyone was laughing. Bella jumped up and ran away, and Mrs. Fox screeched, "Look! Look what you did to the new student." But she whispered, "Thank you, Shelly, and thank you Ava for not laughing."

Mrs. Fox quietly sighed, "Shelly, Ava, you should go find Bella and have a pep talk please." In the bright colorful bathroom, Bella thought "Why do these things happen to me?" Bella also thought "This is the worst day of my life!" After the pep talk, Bella got teased in the long colorful hallway. She was called names like failarina and trippy shoes. Shelly and Ava tried to talk it out, but Bella only said, "I feel like an idiot." Shelly and Ava gasped, "Bella we are so surprised!" Bella shook her head of blond curls, and sighed, "I wish I could not be so clumsy."

Shelly whimpered, "Its time to go outside." Bella jumped up, "My boots!" Ava yelled, "Where are they!?" Bella boasted, "In the gym!" Shelly whispered, "Bella, go get them." So Bella slowly walked to the gym, and when she got there, Mrs. Fox whispered, "Hi Bella, in class today I saw you fell. Do you need any help?" Bella looked up, "Well, actually, yes." Mrs. Fox told her, "Well then, you'll get better practice," Mrs. Fox continued, "You might get to be the lead of the dance competition." Bella whined, "Really?"

Mrs. Fox reinforced, "Yes! Easy dance practice starts right now!" After dance practice Bella discovered that she was the leader of the dance competition. She just noticed that the competition was tonight! Bella screamed, "Oh, nooooooo!" So she hurried to the park.

It was almost time for her to go on. Bella got in her dance suit, and hurried to her team. Shelly said with a relief, "Bella, where were you?" Bella sighed, "Never mind, we have 30 seconds till we do our dance, so get ready." The host yelled, "And now, here comes the Swans!" After their show, she was so happy she did the splits for the crowd. She heard that her team won 1st place! Once she was calmed down she went to her teams trailer and got online. She went to the school website, and she saw a video of her singing. At the end of it she heard, "Bella Katern trying to sing." Bella sighed, "Oh no."
